## CITY AND COUNTY OFFICIAL PAPER

Up to the time of going to press 11  
county precincts have been heard  
from on the delegate vote and the  
total vote stands:

Smith.....458  
Doran.....244  
O'Neill.....270  
This, together with the reports received  
from other sections of the territory, is  
especially gratifying to us as the elec-  
tion of "Our Mark" is thereby assured  
and notwithstanding the set back we  
have received as a nation our chicken  
is game as any bird that crows, and  
while he performs this patriotic duty  
we tip our hat to the patriots of this  
territory who have performed their  
duty well.

LATER—Mark Smith's plurality  
throughout the Territory is conserva-  
tively estimated at 1500.

I CROW FOR MARK SMITH!!!

From the telegraphic reports and  
from the claims made by the party  
that has declared for the gold standard  
has made this one sick at the stomach  
and he don't crow today.

Mrs. E. E. Davis, of San Miguel, Cal.,  
says: "I am trying in a measure to re-  
pay the manufacturers of Chamberlain's  
Cough Remedy for the great good their  
remedy has done me. For years I was a  
constant sufferer from weak lungs and  
bronchial asthma. My rest at night was  
disturbed by a hacking cough so that I  
felt miserable the greater part of the  
time. Many remedies recommended by  
friends were tried, none of which proved  
suitable to my case. I did not experi-  
ence any beneficial results until I began  
taking Chamberlain's Cough Remedy.  
After two bottles of the larger size had  
been used I am pleased to state my  
health is better than it has been for years.  
The soreness has left my lungs and chest  
and I can breathe easily. It has done  
me so much good that I want all who are  
suffering from lung troubles, as I was, to  
give it a trial." For sale by druggists.

## Scrofula

Is a deep-seated blood disease which  
all the mineral mixtures in the world  
cannot cure. S.S.S. (guaranteed purely  
vegetable) is a real blood remedy for  
blood diseases and has no equal.

Mrs. Y. T. Buck, of Delaney, Ark., had  
Scrofula for twenty-five years and most  
of the time was under the care of the  
doctors who could not relieve her. A  
specialist said she was incurable, but  
he filled her with arsenic and potash  
which almost ruined her constitution. She  
then took nearly every so-called blood  
medicine and drank them by the wholesale,  
but they did not reach her trouble. Some-  
one advised her to try  
S.S.S. and she very  
soon found that she had a real blood  
remedy at last. She says: "After tak-  
ing one dozen bottles of S.S.S. I am  
perfectly well, my skin is clear  
and healthy and I would not be in  
my former condition for two thousand  
dollars. Instead of drying up the poison  
in my system, like the potash and  
arsenic, S.S.S. drove the disease out  
through the skin, and I was perma-  
nently rid of it."

A Real Blood Remedy.  
S.S.S. never fails to cure Scrofula,  
Eczema, Rheumatism, Contagious Blood,  
Poison, or any disorder of the blood.  
Do not rely upon a simple tonic to cure  
a deep-seated blood disease, but take a  
real blood remedy.

The National Matte Smelter.

A practical and simple method of matting  
sulphide ores, such as nickel, copper, gold and  
silver ores. In localities where lead ores and  
fuels are scarce and almost unobtainable, our  
pyritic, water jacket Matte Smelter has been re-  
cognized with highly satisfactory results, and  
has been thoroughly tested on various pyritic  
sulphide and arsenide ores, in capacity of 2 to  
80 tons per day. It is the most practical,  
cheapest and simplest method of gold and silver  
ore matting and concentrating that is known  
today.

It requires no extraordinary skill, no lead ore,  
no fluxing material, and no fuel of any kind for  
the smelter after it is started. The sulphur in  
the ore is its natural fuel only, and its cost has  
no comparison with any other process of con-  
centrating.

We are prepared to furnish any size or capac-  
ity plant complete to substantial mining people,  
set it up and furnish our men to run it for them  
on easy payments. Price and specifications  
sent with references and testimonials on ap-  
plication.
